

denotes voiceover

...

small communities of microorganisms are right at this moment decomposing the matter the matter the

*shudder.*

what's the matter with you?

*something – a hair? – on the tongue. tries to remove whatever it is but can't get hold of it.*

I said some not very nice things

mmm

some quite horrible things

sorry

it's not your fault

you need to say sorry

sorry

good.

say: "I will try ever so hard starting from now from this exact point in this place here *not* to conceive of the complete and utter destruction of the world and all the kind humans upon it"

I will try ever so hard to be ever so exactly human and I will – I will

just say: “I will try ever so hard not to”

“I will try ever so hard not to”

not to – ?

split hairs.

...
